After a long weekend numbers eased. A mixed quality yarding of mainly cows & export heifers & grain assisted weaners & yearlings come forward. Most processors were operating. Cows were in short supply selling easier 15 to 20c/kg although quality & supply may be the cause. Bulls sold firm. A handful of bullocks were offered selling firm to easier 5-10c/kg. Not enough feeder steers to quote however some good quality weaner cattle were offered. Good quality weaner steers sold firm. Weaner heifers remained firm in the better end although secondary heifers sold easier 10-15c/kg.
