

**GRAFTON  
WEEKLY FAT SALE  
MARKET REPORT**

**FARRELL McCROHON**

Stock & Station Agents Pty Ltd

**DATE: 11.06.2024**

**TOTAL HEAD: 372**

Numbers were better today & a larger panel of buyers were present. A fair quality of export cattle were on offer as well as some weaners & feeder cattle. Bulls sold well with 2 major processors operating making bulls sell 10c/kg better. The cow job remained firm in the heavy cows & store cows were met with demand going back to the paddock. Export heifers & steers were in shorter supply however sold fully firm, good quality weaner cattle were in short supply also with good quality calves making the rate & secondary quality weaners seeing a deduction, however this follows last week's market trends.
