MARKET REPORT**

FARRELL McCROHON

Stock & Station Agents Pty Ltd

DATE:22.10.2024

TOTAL HEAD:311

Numbers remained small this week with just over 300hd. There was a good run of export cattle on offer however not all processors were operating. Bulls held firm. Cows sold firm in the top end and were easier as quality & condition declined. A good sample of bullocks were offered and sold well, selling firm. Not enough feeder cattle were yarded to quote. Good quality weaner steers were in high demand. Quality weaner heifers sold well however light & poorer condition weaners were cheaper once again.
