FARRELL McCROHON

Stock & Station Agents Pty Ltd

DATE: 26.3.24 TOTAL HEAD: 203

Numbers fell today with the weather and short weeks approaching. Although numbers were scarce, a good run of export cattle were yarded. Cows were met with good demand despite the short kill week. Bulls sold firm to slightly easier, bullocks and heavy steers sold firm to slightly easier but were in short supply. Export heifers sold firm to slightly easier and once again were in short supply. Very few quality weaner cattle were yarded, however quality pens still made the rate. Secondary weaners received quite a deduction.
