

**GRAFTON  
WEEKLY FAT SALE  
MARKET REPORT**

**FARRELL McCROHON**

Stock & Station Agents Pty Ltd

**DATE:29/10/2024**

**TOTAL HEAD: 180**

A smaller number of cattle were yarded with fair buyer attendance however not all processors were operating. A small handful of bullocks were yarded selling firm to easier. Bulls remained firm. Cows were in short supply however prices remained firm on last week. Not enough feeder cattle were yarded to give an adequate quote. Good quality weaners & yearling cattle were well sort after selling firm to dearer. Light weight weaners that weren't top quality continued to drop and are proving harder to sell.
