## QUOTATIONS:

**Numbers are beginning to tighten as the season continues to thrive. A very well presented run of export cattle yarded as well as some handy late weaners. A good panel of buyers present however not all processors were operating. Exceptionally strong market right across the board. Heavy bulls fully firm. Heavy cows stronger 10 to 12 cents. Bullocks and heavy export heifers firm to dearer. Any store condition cattle back to the paddock remain highly sought after and are returning great prices.**
