QUOTATIONS:

As the rain continues to fall numbers eased this week after a run of large sales. Buyer attendance was good with most processors operating. Heavy bulls remained firm. Heavy bullocks and export heifers also stayed firm. Heavy cows seen some decline 10 to 15 cents however medium and light weight cows sold firm to dearer 5 to 10 cents. Feeder cattle were in short supply and sold firm to dearer in places. Weaners remained strong with good quality pens selling to a dearer market for both heifers and steers. Secondary weaners experienced little to no change in price.
