DATE: 20.10.2026

TOTAL HEAD: 197

QUOTATIONS:

As good rain continues to fall the numbers are starting to dry up. A fair quality yarding on offer, however not all processors were operating. Right across the board was a firm to dearer market particularly in the weaner section. Bullocks and export heifers sold firm to dearer 10 to 12 cents. Heavy bulls firm to dearer. Heavy cows lifting 8 to 10 cents. Medium weights slightly easier due to one major processor not operating. Store cows back to the paddock strong up to 10 to 15 cents dearer. Not many feeder cattle to quote. Weaner cattle all dearer across their classes with jumps of up to \$1 a kilo.
