QUOTATIONS:

Numbers eased this week after a long weekend. A good panel of buyers were present with most processors operating. Quality was fairly mixed on a firm to dearer market. Heavy bulls sold fully firm, bullocks and heavy heifers to kill also fully firm on last week. Heavy cows sold well, selling firm while medium weight and store cows sold up to 10 to 12 cents dearer. Feeder cattle were in short supply but what was available sold firm. Weaner cattle were mixed in quality however sold well up to 20 cents stronger on the hope of much needed rainfall.
