WEEKLY FAT SALE
MARKET REPORT**

FARRELL McCROHON

Stock & Station Agents Pty Ltd

DATE: 7.1.25 TOTAL HEAD: 76

Numbers were scarce for our first fat sale of the year however; buyers were still in attendance and good competition was seen on good quality pens. Bulls sold firm with only one processor operating. Cows sold well in the top end with only a small amount yarded. Store steers and heifers back to feed sold firm with some good competition. Weaners were in short supply with heifers selling slightly easier, however steers were strong and sold firm on the current market.
